ment offered by Ved: Subbaswamy of Paramampur for the
up-keep of the temple & the cash endow- of Rs 600
for payment of the Kandayana ...

NOTES AND ORDERS.

The temple in question is not a Muzrai institution.
It is stated to have been built by Ved: Subbaswamy
who now proposes to endow the temple with certain
lands for its up-keep & to contribute to the expenses
of Rs 600 for payment, out of the interest the

the Kundayam on the lands proposed to be endowed.

2. Along with the question of acceptance of both the land & cash endowments, the question of taking the temple under govt. manage^t arises, about which the M. C. states nothing in his letter.

3. It will be seen from the Dy. Commr's letter 810-924 that the temple has been sanctioned a cash grant of Rs 12-7-8 by the Muz. Commr. recently. It may be noted here that if this is correct, the authority under which the M. C. has sanctioned the cash grant is not apparent. If approved, inquiry will be made on the point.

4. The temple, though it is now managed by ~~the~~ the founder ~~is~~ named: Subbasastriy, is proposed to be placed under govt. manage^t after ~~the~~ his life time and as such it is, perhaps, necessary ~~to~~ to know the actual income from the lands and whether that will suffice for the ~~man~~ Paditara Deepanadhana & maintenance of the temple.

5. If approved, information will be called for on the following points:-

- 1) When, from what source & under what authority a cash grant of Rs 12-7-8 was granted to the temple.
- 2) Is the temple a muzrai institution.
- 3) If it is not, is it proposed to be taken under Govt management, when accepting the endowments, land & cash, offered.
- 4) What is the annual income from the lands & whether that will suffice for the upkeep of the & repairs of the temple.

Serial
No.9. Information furnished by the Muz. Commr.
in the case is as follows. -1) The cash grant of Rs 12 7. 8 enjoyed
by the temple is stated to have been
met from the following sources. -i) From the Annachattram at ^{Rs. 7 1/2} 2-4 6
- Ghatlodepur (vide Muz 24-93)ii) Same fr. by the Muz. Commr. out
of the savings of the chattram

out of Nehru savings.
(vide ^{copy of} order no. D, Dis 15 of 24 25

Rs 12-7-8

~~iv) Same~~iv) In addition to the above, the temple
is in enjoyment of half a seer of rice,
with condiments, from the savings
of the Ghatlodepur chattram.(vide ^{copy of} G.O. No. 680-1/Muz. 7 249 12-28/11/12)10. It may perhaps, be pointed out
here that the Muz. Commr's sanction of
Rs of a month towards the pay of the
archak of the Parasurampur temple
out of the grant of 2 seers of rice with
condiments from the chattram atFile not with the
J/-

Kangal & Bommagoundanahere in the Molakalmuru Taluk, towards the maintenance of the Sri Rama-Devaru temple at Chikeralalli in the same Taluk, which was set free, appears to be beyond his powers of sanction.

11. Again, the Muz. Commr. sanctioned on 17-1-24 ^{for the first time} a sum of Rs 57 out of the savings of establ^d charges of the Chikeralalli Rest house for the Padibara, Deeparadhara of the Paramurampur temple. This also seems to be beyond the M.C.'s power of sanction.

12. In modification of this order, the Muz. Commr. sanctioned in his order of 25 & 24, the grant of Rs 5-3-2 a month to the temple out of the total Nehmi charges of Rs 35-7-0 provided for the purpose in G.O. No. 804-17/M 7 177 14-10 & 11-10 16

As under item 24 of the schedule of powers of the Muz. Commr., he can dispose of Nehmi allowances, it is for consideration whether the Muz. Commr.'s action in sanctioning a grant of Rs 5-3-2 to the temple out of Nehmi charges may be taken as within his powers of sanction.

2) For the above reasons, the temple at Paramurampur may, perhaps, be considered as a Muzrai institution.

13. The temple, with its offered land & cash endowments, is has been prayed ^{by} its founder ved Subbasastri to be taken under Govtⁿ management, the temple being left under the management of the founder for his life, subject to Govtⁿ supervision & control.

14 Under clause (1) of section 3 of the Muz. Regulation, Govtⁿ may undertake

undertake the management of a religious or charitable trust, at the ~~option~~ option of the creator of the trust, provided he has reserved no interest of a residuary or beneficial nature to himself. Or, it may be under clause 3 or 4 of the same section.

15. Lands in 3 ~~one~~ villages yielding an annual income of Rs 175/- have already been endowed to the temple by the founder to meet the inevitable expenses, inclusive of repairs, the question of accepting the land ^{separately} endowment does not seem to arise, as the lands go with the temple, when the latter is taken under Govt. management.

16. The founder has subcassarily offered a cash endowment of Rs 1000/- in addition, to ensure payment of travelling on the land every year, without any delay or hindrance.

As no sum less than Rs 1000/- can be accepted by Govt. as cash endowment under the Charitable Endowment Rules it is a point for consideration.

and orders whether the amount may be accepted as a Pudumat and invested for the present in the $6\frac{1}{4}\%$ State Loan -

17. The founder ved: Subba sastry has given a statement before the Dy: Comr (the present ^{on 16-1-25} ~~Chief Secretary~~) to the effect that the temple, with its lands and dowments, may be taken under Govtⁿ manage^t & the cash endow^t of Rs 600/- also accepted, he being allowed to be the valivaddar of the temple during his life-time, under Govtⁿ control -

18. The Dy: Comr & Muz: Comr strongly support the prayer of ved: Subbasasby,

19. The points for consideration & orders are: -

1) Treatment of the temple as a muzrai institution and taking it under the management of Govtⁿ, with its lands endowed by the founder and allowing the founder to manage the temple as valivaddar during his life-time, under Govtⁿ control.

2) Confirmation of the Muz: Comr's orders sanctioning cash grants to the temple -

3) Acceptance of the cash endow^t of Rs 600/- as Pudumat & investing it in the State Loan for the present, if considered necessary & advantageous.

Sir,

In forwarding herewith copies of letters Nos. 207 and 597 dated the 10th September and 22nd October 1924, respectively, together with enclosures received from the Deputy Commissioner, Chitaldrug District, recommending the acceptance of certain land endowment offered by one Ved. Subba Sastry of Marasurampur in Challakere Taluk, for the benefit of the Sri Visvanatheswaraswami temple, built by him at great cost, I have the honor to state that though it is not desirable to accept land endowments offered by private individuals, yet the present case appears to be worthy of an exception being made in as much as the donor is a pious old man having no heirs and who has spent his life's earnings in purchasing the eight plots of land in the name of the Deity of the temple and whose sole object is to utilize the realizations therefrom for Nityakathe and Hetchukathe services in the temple, the properties being managed by him during his life time. Unlike other land endowments already accepted, kadayam on which is generally met out of the annual yield, the donor in this case has offered a cash endowment of Rs. 600/- for investment in the Savings Bank to pay the kadayam on his land endowment every year, thus obviating the necessity to encroach upon the yield from the endowed lands.

The Deputy Commissioner strongly recommends the acceptance of the land endowment which is not in the nature of a doubtful gift and acceptance of which does not involve any litigation. I agree with him and solicit early orders of Government for accepting the land as a special case and the investment of the cash endowment of Rs. 600/- in

in the manner stated above. As the donor is a particular person, the acceptance as a very special case of this gift of nil which appears to be the result of his life work, will it seems to be appropriate.

Letter No.207/24-25 dated 10th September 1924 from the Deputy Commissioner, Chitaldrug District to the Muzrai Commissioner in Mysore.

"In forwarding herewith an application from Subbasastry of ---- Parasarampur, Challakere Taluk, praying for the acceptance of a deposit of Rs.600/- in favour of the Sri Viswanathaswami temple at Parasurampur, I have the honor to state as follows.-

The temple of Sri Viswanathaswami at Parasurampur, in the Challakere Taluk, was built by Subbasastry at his own cost. At the request of the said Subbasastry for some Government help, a cash grant of Rs.12-7-8 was sanctioned by the Muzrai Commissioner recently towards Deeparadhana and other expenses of the temple. In addition to this Government grant Subbasastry has also secured some lands and made them over to the temple for its maintenance. The kadayam of these lands amounting to Rs.30/- is now being paid by him annually. As he is now advanced in age and -- wants to make some permanent arrangement for adjustment of the above --- kadayam without giving occasion for coercive measures being taken against these lands for recovery in the event of default, he offers a sum of Rs.600 for being deposited in the name of the institution, so that the kadayam due to Government may be adjusted regularly out of its interest realisation^s even after his life time. In these circumstances, I request that sanction may kindly be accorded for the acceptance of deposit of the above sum in the Government Savings Bank in the name of the institution for the afore-said purpose."

"With reference to your letter No.C.355 of 24-25 dated 2/3rd October 1924, calling for further information in the matter of the acceptance of the deposit of Rs.600/- offered by Mr. Subba Sastry of Parasurampur ---- village, Chellakere Taluk I have the honor to state that on enquiry it is ascertained that Mr. Subba Sastry is not in favour of investing the sum of Rs.600/- in the Government State Loan bonds as that kind of investment is only good for a few more years after which time its reinvestment will have to be considered but desires that sum be kindly accepted as a special case as a charitable deposit carrying interest at 5% permanently under the rules laid down in G.O.No.492-500/22 dated 9th August 1892 on the -- analogy of G.O.No.594-5/Muz.F.28-94 dated 17/15th December 1894 sanctioning the grant of interest at 5% permanently as a special case on a deposit made by late Mr. Gundappa.

Mr. Subba Sastry prays that the interest accruing from time to time may be utilised for the adjustment of the kandayam every year on the lands purchased and endowed by him for the benefit of the Sri Visvanathaswami -- temple at Parasurampur in the Chellakere Taluk.

In view of the fact that the deposit has been made solely with a view to meet the dues of Government in respect of the lands endowed to the temple and the applicant is agreeable to forego all chances of securing higher interest on the amount I recommend that the concession prayed for by him may be kindly sanctioned, the interest accruing being ordered to be adjusted towards the kandayam of the lands endowed to the temple.
